Senior Bag Tag Program

Residents of Pine River Township aged 65 and over are eligible to participate in our Bag-Tag program for weekly trash services. Normal annual fees of \$174.12 are waived and Seniors are allowed to buy Granger tags as needed at the current rate of \$3.00 each, price adjusted for inflation annually. If you have only one bag per week your total annual cost drops to (3x52=\$156.00) Granger requires a \$3 tag on each bag placed for pickup. Understand that potential savings exist, but you accept the risk that you may exceed one bag per week and may even exceed the annual rate that includes a 96-gallon cart holding 3-5 bags every week. This is a decision that you can make only once per year. You may change your trash plan in November of each year, but never later than December 1st. Contact the Township Office in person to make changes to your plan.

1. By choosing the \$3 Bag-Tag program I may exceed the annualized township rate of \$174.12
